Hand Hammered Copper Cups - Set of 2

- Attractive Dimpled Design and Long Lasting Shine - Antique and flawless glasses made to enhance the look of your home and kitchen. Light in weight and easy to carry anywhere. Holds the goodness of natural copper. Safe and healthy to use for all. Shiny and clean after every wash- maintains the natural orange-red.
- Quality Product - Made from 100% pure copper. Durable and robust, the natural ionic properties of copper ensure your family's good health. Loaded with antioxidant and ayurveda health properties, each cup is carefully molded and hand-hammered for that perfect textured design. Heated copper pulled and pressed for proper depth - manageable-sized tumblers.
- Skilled Manufacture - Crafted by skilled Indian artisans; handcrafted, polished, and finally coated with safe drink and food lacquer- maintains luster for a long time and only natural tarnish; no sharp or cracked edges; smooth finish rim with edges carefully polished and buffed.
- Health Benefits - Widely prevalent practice of keeping water overnight in Copper Vessels helps to boost immunity, discourages cell damage, retards aging, reduces body pain and inflammation, stimulates vital organs, and manages hormonal imbalances.
- Smart Designing - Body, seamlessly attached; shallow surface dimples caused by hammering for the right texture; have a comfortable and anti-slip grip; easy to clean; can be used at home or restaurants for that classic royal look- perfect option for a gift. approx. 80gm, Volume: 250 ml., Height: 9 cms.

Copper Drinking Straws Set of 4

- IMPORTANT: Straws MUST be cleaned thoroughly BEFORE first use with Pipe Brush and Hot Soapy water. Metallic Copper straw is a reusable, healthy and environment friendly substitute to plastic straws.
- The straw is 8 inches long and is ideal for all kinds of cocktails, smoothies and other drinks.
- Copper has immunity building, anti-ageing, antioxidant and anti-carcinogenic properties.
- Plastics release BPA, a chemical that imitates estrogen, making the switch to copper a much healthier option.
- Copper straw is not only aesthetically attractive but is said to enhance aromas when used with cocktails.
